## **Welcome!**

Welcome to Religious Education for children and youth for 2017-2018. If you are new to our church community, I invite you and your family to join us. If you have been attending, or your family is actively involved, may your connection and commitment to our faith community deepen.

As teachers of religious education, we want to give our children experiences that awaken curiosity and nurture questioning as they continue their individual journeys of spiritual development. There will be lively group discussions in the classrooms and multigenerational services and activities, which will contribute to the growth of each and every child.

It promises to be a good year with exceptional teachers, an enthusiastic RE Committee chaired by Elsbeth Fritz and a solid curriculum. Please join us.

## **REGISTRATION**

Parents and guardians are required to complete a registration form for children and youth.

Registrations forms are available from the Director and in the information rack in the fellowship hall throughout the year. Registering your children after three visits is required.

## **ADULT INVOLVEMENT**

Our RE program is **COOPERATIVE**; parents are expected to volunteer as a teacher, classroom aide, RE Committee member, or volunteer for special events. Job descriptions are available. We also encourage individuals without children in the program to serve as RE volunteers.

## **SAFE CHURCH POLICY**

To provide a safe and secure environment for the children and youth who participate in church sponsored programs, volunteers involved in supervising minors must complete a Background Check form. Information provided is confidential and is used solely for the purpose of determining a volunteer's qualifications for working with minors.

## **AGE AND GRADE POLICY**

Children coming into the Religious Education programs are generally placed in classes according to their current grade level in school. Exceptions, at any grade level, need the approval of the Religious Education Committee.

## **FEES**

We do not charge a registration fee. However, your financial pledge supports the total church canvass which supports the RE program. Your generous financial support provides us with an adequate budget for purchase of classroom supplies, materials, curricula, etc.

## **SUNDAY MORNING ROUTINE**

**Nursery:** The nursery is available every Sunday in the Green Room from 8:45am to 12:30pm for infants and toddlers through the age of two.

A multiage class for grades K-12 will be held in the Yellow Room. Class ends at 10:00.

**During the second service ~ 11am-noon:** Religious Education classes for preschool through 12<sup>th</sup> grade will be held during the second service. The preschool class begins at 11:00. ## **STUDENT PICK-UP POLICY**

Parents of children in Preschool and K-2<sup>nd</sup> must go to the classrooms to pick up their children. If someone other than a parent is to pick up a child, please notify the teacher beforehand.

Please pick up your children in a timely manner, so that our teachers and aides can also enjoy coffee hour.

## **MULTIGENERATIONAL SUNDAYS, SOCIAL ACTION, and SPECIAL EVENTS**

Multigenerational Sundays are services when children join their families for youth-friendly worship together.

Throughout the year, Social Action projects are planned that involve all children and youth. To help end world hunger we have raised funds for Heifer International, UNICEF, and also thru the “Empty Bowl Project”. Some of our other projects have included: making baby crib quilts, cards for the Caring Committee, activity bags for children in need, Jane Goodall’s Chimp Guardian Project, and Saving Endangered Animals thru the World Wildlife Fund. Each year we also have great fun making homemade cat and dog treats as a fundraiser for a local animal rescue center.

In addition, Special Events are planned such as our RE Summer Camp, Game Days, Teacher Appreciation Luncheon, and Multigenerational Events.

## **R.E. Behavior Expectations**

The children and youth that we welcome each Sunday, have a range of ages, interests and personalities. For the teachers to develop a working relationship with the children in only 45 minutes, a few times a month, presents a special challenge. Parents can help by reviewing appropriate behavior expectations with their children and by informing the DRE and teachers of any special learning styles, or considerations regarding your child.

Looking to our principles and purposes, we affirm the inherent worth and dignity of every person and promote acceptance of one another. In this spirit of community building, we aspire to teach, and to expect behavior that respects self, peers and adults.

Our valued teachers volunteer their time to prepare and engage our children in discovery and learning. While, at times, any child may need redirection, occasional individuals require more than a reasonable amount of their teachers' "re-directive" energies. It is never in the child's or the group's best interest to permit disruptive behavior. In deference to our principles of respect for the interdependent web --- as it relates to the learning environment, the RE committee has developed the following guidelines:

When a child's behavior needs redirection, they will, with love and respect be:

- 'Invited' to sit (or stand) by the adult. (Proximity often helps)
- Given a helpful task and then reintegrated into the group.
- Offered the opportunity to read a book or draw.

- Escorted to sit with their parents for the remainder of the service/class time.
- Parents may be asked to come into the classroom.

We will always seek to determine and address any cause for discomfort that may be contributing to the child's behavior. By informing the DRE of any special learning styles or considerations regarding your child, we can better meet their needs.

### **To Help Your Child Benefit the Most from Their Church Experience Consider . . .**

- ❖ Being as consistent as possible in attendance. Familiarity is basic to a sense of belonging and ownership. A child's comfort level and relationship to the community can be compromised as the group building process progresses without his or her consistent presence.
- ❖ The importance of your volunteer time in their classes. Your presence demonstrates that you feel RE is worthwhile, perhaps the most lasting and valuable message your children could receive.
- ❖ Providing continuity by incorporating some of our ritual forms.

# **Our Whole Lives Sexuality Education**

The Unitarian Universalist Church of Muncie will be offering the K-2<sup>nd</sup> grade *Our Whole Lives (OWL)* program this year, beginning in October.

Our Whole Lives was developed by the Unitarian Universalist Association and the United Church of Christ. Although the OWL series (K-1, 4-6, 7-9, 10-12, Young Adults, Adults) was developed by two progressive religious denominations, it is completely secular and free of specific religious doctrine or reference. However, the underlying values of the program reflect the justice-oriented traditions of both denominations.

OWL supports parents in educating their children about birth, babies, bodies and families. Following an Orientation, the 8 sessions engage children with stories,

songs and activities and include a weekly HomeLink – a homework project for parents and children to do together.

Our trained OWL facilitators are Denise and Ben Ewing. The Parent/Child Orientation will be held on Wednesday, October 4, from 5:30-7:00pm at UUCM. Sessions will be held on Wednesday evenings from 5:30-6:30 and will begin on October 11.

If you are interested in enrolling your child for the upcoming K-2 grade OWL program, please contact our Director of Religious Education, Nadine Tringali, at [nadine@uuchurchmuncie.org](mailto:nadine@uuchurchmuncie.org)

## **Youth Groups**

Unitarian Universalists believe that all people are precious and worthy of love. As this message can feel particularly difficult to connect to and necessary during our pre-teen and teenage years, we offer special programming to these age groups that honors their unique experiences during this transformational time in their lives. We gather for sharing what is most on our hearts and making meaning of our experiences. We gather to work together for justice in our communities and in the world. We gather to build community, play games and laugh together.

We value one another and the support we receive in community. Our regular meetings at the church center around a ritualized sharing of what is happening in our lives called Check-in. During this time, we celebrate each other's joys together and support each other in our pain

and burdens. It brings us closer together and helps us to navigate the ups and downs of our lives.

We also have special events throughout the year, such as field trips, community service opportunities, lock-ins, parties and regional conferences called CONs. Through these events we strengthen our community by sharing experiences with one another. Many of the events help us to explore our UU faith together – though some are just fun for the sake of fun!

Due to the current makeup of our youth, we are meeting both as separate Middle and High School groups and combined into one large group. Lunch is provided.

To find out about our schedule and special events, send an email to [elizabeth@uuchurchmuncie.org](mailto:elizabeth@uuchurchmuncie.org) to be added to our mailing list.

## **4U: Ball State University Unitarian Universalist Union**

4U is a gathering of Unitarian Universalists and religious seekers for fellowship, conversation and worship in order to learn about religious paths, grow as individuals, find belonging with like-minded people, develop our faith and experience something transcendent. Ivy Tech and other students are welcome. Contact our Coordinator of Youth Programming, Rev. Elizabeth Carrier-Ladd for more information.

# **SPECIAL CELEBRATIONS**

## ***Growing Up in Our UU Faith***

### **Age of Reading Ceremony – K-3<sup>rd</sup> Grade**

We celebrate the “joy of reading” and wish to recognize our young readers in this ceremony with the gift of a special book and bookmark.

### **Youth Sunday**

Each year our youth create and present a Sunday worship service for the whole congregation called Youth Sunday. This is an opportunity for them to share a message that is particularly relevant to them and the larger community. It is a chance for the community to get to know them better and to be inspired by their wisdom. It is a way in which the congregation honors that they are not only our future, but are present leaders and teachers with particular talents and gifts to share.

### **Child Dedication Ceremony**

Child Dedication Ceremonies are Unitarian Universalist celebrations for welcoming a baby or child into our community. This is an opportunity to dedicate ourselves and the child to a life of meaning and a search for his or her truths on the path to a religious or spiritual self. Please contact our Minister, Seth Carrier-Ladd for more information on planning a Dedication Ceremony.

### **Bridging Ceremony for our High School Graduates**

Each spring, we celebrate the passage of our seniors into adulthood. As we build a “bridge” between their role as a senior youth and their new identity as young adults, we recognize the achievements and contributions each have made to the world and our community and emphasize our ongoing support as they make their own way in our complex world.
